NO. 31

Bids Asked On First Unit of New Highway

Supervisor Fred Lowell Receives Word to This Effect and Is to Get Blue Prints on Rights-of-Way to Agua Caliente

Supervisor Fred Lowell was in town Thursday and gave out the good news that bids for the construction of the first unit of the Schellville-Santa Rosa state highway out of Santa Rosa had been called for. Division Engineer Skeggs informed the Supervisor of the call for bids by the State Highway Commission and also told him that the blue prints of the rights of way between Belaine and Agua Caliente were completed and would be turned over to him shortly.

The Supervisors have instructed the County Surveyor and Engineers to go ahead with preliminaries on all bridges and culverts to be constructed on the new piece of highway and are doing everything in their power to expedite work on this important artery of travel, the improvement of which was authorized by a state bond issue of \$450,000 two years ago.

RELICS WANTED FOR OLD MISSION MUSEUM

The local Mission committee met again Tuesday evening and decided to proceed with the gathering of relics for the public museum to be established in Sonoma's historic landmark. The committee having the particular work in charge is comprised of Messrs. Adler, Minges and Stenquist. They will be glad to receive donations from any one having curios or relics of historical value. California and local relics are preferred but anything of interest in a museum will be accepted.

The caretaker for the Mission has not yet been selected but several applications are on file. Messrs. Jarvis and Adams have written from Sacramento that work on the living quarters for the caretaker will be started very shortly.

Any one having relics for the Mission collection may communicate with any of the committee or the Index-Tribune office.

BANKER HAS BEEN ILL

Banker Jesse Burris returned from San Francisco Saturday suffering with symptoms of the flu. He was taken in charge by his nephew, Frank M. Burris, and has been recuperating at his home. Jesse Burris, who is the pioneer secretary of the Sonoma Valley Bank, is one of the solid financiers of the state and he has a large clientele always much concerned when he is ill. His speedy recovery is hoped for.

CONTEST LOOMS IN HIGH SCHOOL ELECTION

Leopold Justi of Glen Ellen Is Candidate for Trustee As Are Outgoing Members of Board.

The Sonoma Valley Union High School District election for trustees next Friday promises to develop an interesting contest, three candidates being in the field for the two vacancies to occur on the board. In addition to the incumbents, L. M. Bish and Thomas Johnson, who are candidates to succeed themselves, Judge Leopold Justi of the Glen Ellen section is also out for a place on the school board. Heretofore it has been difficult to secure high school trustees, some time ago several vacancies occurring by resignation, and places being hard to fill.

Factional warfare over the consolidated districts of Glen Ellen, Dunbar and Kenwood stirred up interest in school matters and as a result, Judge Justi has come out against Trustee Johnson, who took a pronounced stand in the \$30,000 bond issue in the upper end of the valley, with the result that the bonds lost. Trustee Johnson was heartily in favor of the new Sonoma Valley Union high school building and was the first man on the board to make the motion for the \$115,000 bond proposition. He and Mr. Bish have given much time and thought to the preliminaries and plans for the new building and want to continue on the board to finish the work in hand.

Judge Justi is in the contest at the behest of many friends and admirers throughout the valley. He has always been identified with educational matters and is a progressive and intelligent man. As the "marrying magistrate" he is widely known throughout the county, having served Glen Ellen as justice of the peace for many years.

APRIL FOOL'S BALL AT MERVYN HOTEL, GLEN ELLEN

H. G. Buck of Glen Ellen's "heart of the Valley of the Moon" hotel, the Mervyn, announces a novel April Fool's Ball on Saturday night, April first. There will be prize dance contests, door prize, etc. and the famous six piece Harvard orchestra will play.

GEN. VALLEJO'S HEIR THREATENS INJUNCTION

Mrs. Cutter, Daughter of Plaza Donor, Makes Caustic Comment on the Proposed Service Station Lease.

The following communication has been received in behalf of Mrs. Maria Vallejo Cutter, daughter of the late General M. G. Vallejo, relative to the proposed lease by the City of Sonoma of a corner of the Plaza for a service station. It is said the matter was brought to her attention in a letter addressed to her by the leader of the opposition here:

San Francisco, Cal., March 20, 1922
Editor Index-Tribune,
Sonoma, Cal.

Dear Sir:
Owing to the illness of Mrs. Cutter, it devolves upon me to take appropriate action regarding a petition which is to come before the Board of Trustees of your city, having for its pretended purpose the improvement of the Plaza by leasing a corner for an oil station.

On behalf of a daughter of General M. G. Vallejo I desire to register an earnest and solemn protest against such contemplated act of disrespect to his beloved memory; such gross ingratitude towards the illustrious donor, such vandalism as would be perpetrated in debasing his gift to commercial usage.

Will the people of Sonoma stand for the degradation of those historic acres? How many will be blinded by the glitter of greasy dollars and permit of this deliberate outrage under the cloak of improvement? Is the City of Sonoma in such desperate financial straits that it must stoop so low as to traffic with an oil concern over a portion of its public park? I cannot believe it and am firm in my faith that the right minded people of the valley will rise as one to denounce this contemplated wrong.

Lest there be any misunderstanding let it be known to one and all, whether friends and fellow citizens who still survive and remember his generous heart and open hand, or whether they be of the rising generation who only know of him by tradition, let it be known, I repeat, to one and all, that when General Vallejo gave to his people, his fellow citizens and their descendants forever, the Plaza to be

New Hotel Leased to Santa Rosa Men

Sam Sebastiani Rushing Completion of Sonoma's Modern Hostelry. O'Connor Furniture Company to Furnish It.

Sam Sebastiani has leased his new high class hotels north of San Francisco. The hotel is modern throughout, has private baths and all conveniences. It is to be furnished by the O'Connor Furniture Company of Santa Rosa and will be fitted up with the best. Roger O'Connor of the firm will personally supervise the furnishing.

WHY THE MONOTTI SMILE GROWS WIDER

The famous Monotti smile, long associated with the genial grocerman of Sonoma and made famous by advertising, is expanding. For some weeks past friends and customers have been noticing the optimistic expansion of expression but presumed it was because business was good or because Monotti had recovered from the fashionable and prevailing malady or because he had saved over some business competitor. But now the cat is out of the bag. No one had correctly diagnosed the latest Monotti smile. What's the answer? Oil! Oil! Oil! No, this is no ad for olive oil, castor oil, coal oil or anything like it. The fact is, Mr. Monotti has received word that oil stock he owns in a company in Texas has jumped from 10c to \$5 per share. The company already has a gusher in the Mexia fields and others are to be developed. Most of the stock in the company is held by San Franciscans, Monotti's brother being heavily interested in the concern.

The Sonoma grocer says his stock is not for sale. He prefers to hold on, but he can't help smiling. Do you blame him?

ASK FOR PROBATION

Max Kaplan who conducted a store at Sonoma, and his brother, Harry Kaplan, were arraigned before Judge Emmett Seawell in the superior court on Friday of last week. They stand charged with concealing goods with intent to defraud creditors.

Both entered pleas of guilty and asked for probation. The cases were referred to County Probation Officer Plover for investigation and recommendation and the hearing was postponed to March 31 to give him time to look into the facts of the case.

The E. T. Casson family have been ill with the prevailing malady.

kept and to be used for its proper purpose in perpetuity, he did not intend nor contemplate that there should ever at any time be permitted any deviation from this plan. He saw no reason to fear that in the future, long after he had passed away, a thankless generation would arise whose officials might be led to violate the trust he reposed in all men.

Thus, in equity, a moral and perpetual obligation subsists, and if any part of the Plaza be set apart from the original purpose of the donor, the entire property will ipso facto revert to the estate of the General.

It becomes my duty, then, to notify the people of the City of Sonoma and Board of Trustees thereof that any further proceedings along the lines of said petition will bring about injunction proceedings and other legal action to estop the vandalism and breach of trust.

Very truly yours,
J. H. CUTTER.

HAVE YOU VOTED FOR QUEEN?

In the Springtime a young man's fancy turns to queens. This time it is Queen of the Valley of the Moon Carnival at Boyes Springs. There are several charming girls vying for the honor and the \$200 diamond ring, to be given to the winner. The little postmistress at Caliente, Miss White, is the latest candidate to announce herself. Misses Craib and Pancrazi are to be the Glen Ellen candidates. Miss Benedetto of Boyes is piling up a lot of votes. Miss Claire Farrell is also in the race for fair and Misses Hansen and Pollini are going to be popular contenders also.

The votes will be counted shortly so all candidates are urged to turn in their votes that they may be deposited by Chief Cause, chairman of the carnival committee.

An airplane will be here for the carnival and the Queen will be the guest of honor on a trip in the clouds if she so desires.

Proceedings of the Board of Supervisors

IN THE ROOMS OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SONOMA, STATE OF CALIFORNIA.

Santa Rosa, Cal., Feb. 14, 1922.

The Board met this day, all members present, Chairman Doss presiding. Minutes of last regular session read and approved as read.

At 2 o'clock P. M. the Board proceeded to the hearing of the petition for the withdrawal from the market and the cancellation of \$250,000.00 Court House School Bonds remaining unsold.

Resolution passed authorizing the Board of Supervisors of Sonoma Co. to enter into an agreement with W. W. de Winton for right of way across lands of said De Winton for public road and highway. Said lands near town of Monte Rio.

Resolved that Chairman of this Board be and is authorized to enter into agreement for Sonoma County between said County and N. W. P. R. R. Co., for right of way across lands near Watson Station.

Regular business transacted. Adjournment taken until Feb. 15, 1922, at 10 o'clock A. M.

SO ORDERED.

Santa Rosa, Cal., Feb. 15, 1922.

The Board met this day, all present, Chairman Doss presiding.

Resolved that County Surveyor be and is hereby authorized to make

change in plans and specifications governing the construction of county corporation lot in East Petaluma, Cal., under contract with Martin Fredericks.

Woven wire fence constructed by W. L. Proctor through the Chisholm ranch accepted.

Painting of Healdsburg bridge across Russian River, under contract with A. W. Kitchen, accepted as completed.

Whereas, according to law, the Board of Education has petitioned this Board that Court House School District Bonds in the sum of \$250,000.00 be declared void,

Resolved, that said bonds be and same are hereby cancelled in their entirety and declared void.

Petition of 115 citizens of vicinity of Guerneville and Healdsburg presented to this Board praying that portion of road near Korb Station and Summer Bridge be completed.

At 1:30 P. M. o'clock bids for the construction of Pocket Canyon road opened and read.

At 1:45 o'clock P. M. bids for construction of the guard rail along the N. W. P. R. R. right of way at Rionido.

Bid of Frank C McIntyre for construction of Pocket Canyon road in

Fifth Supervisorial District as follows: \$15,542.10 lump sum, etc., accepted.

Bid of H. C. Ingle for construction of a guard rail along the right of way of N. W. P. R. R. Co., at Rionido, as follows: \$.65 per lineal foot for 1350 lineal feet, accepted.

Regular business transacted. Adjournment taken until Feb. 16, 1922, at 10 o'clock A. M.

SO ORDERED.

Santa Rosa, Cal., Feb. 16, 1922.

The Board met this day at 10 o'clock A. M., pursuant to adjournment, all present, Chairman Doss presiding.

County Surveyor is hereby authorized and directed to prepare plans and specifications for 1350 lineal feet of standard guard rail to be constructed on Water Trough Hill on Sebastopol Freestone highway, second road district, Sonoma County, Cal.

Plans and specifications for construction of guard rail on Water Trough Hill on the Sebastopol-Freestone highway adopted. Bids to be received up to 12 o'clock P. M., March 6, 1922, and opened and read at 1:30 o'clock P. M. of said day. Notice to be given as by law provided.

County Surveyor is hereby authorized and directed to prepare plans and specifications for part of road known as Santa Rosa-Petaluma Hill road, between town of Penngrove and line dividing Supervisorial Districts One and Three and called Penngrove Road.

The sum of \$693.00 is authorized to be paid out of General Fund of Sonoma County for assistance to Third Road District. Mark West and Petrified Forest Road.

County Surveyor is authorized and directed to prepare plans and specifications for construction of the Sebastopol-Cotati Highway, Sec. B.

County Auditor and County Treasurer authorized to transfer \$182.75 from Highway Construction Fund (Sebastopol-Freestone Unit) to General Fund to correct error.

County Recorder is hereby authorized to hire Miss Mildred Huffman and Mrs. Arthur L. Colling for period of one month, beginning Feb. 20, 1922, at salary of \$90.00 per month to assist in extra heavy business transacted in this office at the present time.

Extension of time is granted to The Call Construction in which to complete contract for installing of flume and guard rail on Sebastopol-Forestville Road. Request is made on account of not being able to secure lumber.

Petition presented to this Board by heads of families residing in territory lying north of Santa Rosa Creek and West of City Limits of Santa Rosa, praying that said territory be annexed to City of Santa Rosa School District for school purposes only, granted.

Petition for appointment of Chas. Lane as constable of Glen Ellen township denied. Duties of constable in

said township are fully covered by the deputy sheriff.

County Auditor and County Treasurer authorized to transfer \$45.20 from General Fund to Third Road Fund to correct error.

Regular business transacted. Adjournment taken until Feb. 17, 1922, at 10 o'clock A. M.

SO ORDERED.

Santa Rosa, Cal., Feb. 17, 1922.

The Board met this day at 10 o'clock A. M., all present, Chairman Doss presiding.

Tuesday, the 28th day of March, 1922, is hereby fixed as the day of holding an election within the Petaluma Municipal Water District for the purpose of electing board of five directors for said Municipal Water District.

Plans and specifications for construction of Fitch Mountain Road, Section A as prepared and submitted to this Board by County Surveyor are adopted by this Board. Bids to be received up to 12 o'clock noon, March 14, 1922, and publicly opened and read at 1:30 o'clock P. M. Notice to be given as by law required.

Plans and specifications for construction of asphalt heating plant as prepared and submitted to this Board by the County Surveyor are adopted by this Board. Bids to be received in office of County Clerk up to 12 o'clock noon, March 13, 1922, and publicly opened and read at 1:30 o'clock P. M. Notice to be given as by law provided.

Plans and specifications for construction of reinforced concrete bridge over Mark West Creek on Healdsburg-Forestville Highway, as prepared and submitted to this Board by County Surveyor adopted by this Board. Bids to be received up to 12 o'clock noon March 17, 1922, and opened and read at 1:30 same day. Notice to be given as by law provided.

Plans and specifications for construction of reinforced concrete bridge over Russian River at Guerneville are hereby adopted by this Board, as the plans for said bridge. Bids to be received at the office of the County Clerk up to and including March 15, 1922, and publicly opened and read at 1:30 o'clock of said day. Notice to be given as by law required.

Old bridge lumber sold by F. A. Lowell to Joseph Revie for \$19.25. From First Road District.

Old road pump sold by H. F. Doss to H. C. Ingles for \$3.00. From General Fund.

Petition this day presented to the Board of Supervisors praying that certain territory contained on map entitled Subdivision of Two Rock Townsite be abandoned, is hereby accepted. Hearing on said petition set for March 16, 1922, at 11 o'clock A. M. in rooms of Board of Supervisors in Court House, Santa Rosa, Cal. Notice to be given as by law provided.

Request of W. L. Proctor asking thirty days extension of time in which to complete Board Bridge over Dry Creek at Skaggs Springs Road granted. Said request asked on account of not being able to get necessary lumber.

Resolved, that in accordance with an order of Court, and provisions of Sections 204 etc., C. C. P. of State of California, a number of persons be selected from respective townships in Sonoma Co., to serve as trial jurors for year 1922.

Plans and specifications for construction of Sebastopol-Cotati highway Section B as prepared and submitted to this Board by County Surveyor are adopted by this Board. Bids to be received up to 12 o'clock noon March 6, 1922, and opened at 1:30 o'clock P. M. Notice to be given as by law provided.

Regular business transacted. Adjournment taken until March 6, 1922.

SO ORDERED.

Santa Rosa, Cal., March 6, 1922. The Board met this day at 10 o'clock A. M., all present except Supervisor King, Chairman Doss presiding.

At 1:30 o'clock P. M., the hour heretofore set, bids were opened and read for construction of Sebastopol-Cotati Highway.

At 1:45 o'clock P. M., the hour heretofore set, bids were opened and

read for construction of guard rail on Water Trough Hill, Sebastopol-Freestone Highway.

Bids for construction of Sebastopol-Freestone Highway Sec. B rejected on account of being too high. Construction to be by day labor.

Bid of H. C. Ingle for construction of guard rail on Water Trough Hill on the Sebastopol-Freestone Highway as follows: \$.54 1-2 per lineal foot in place complete for 1350 lineal feet accepted.

The following named are submitted by the County Clerk as candidates nominated for the office of directors of Petaluma Municipal Water District to be voted on at election on 28th day of March, 1922: Henry S. Gossage, W. B. Hopkins, Charles A. Mudget, George B. Murphy, Hans Peter Vogensen, Magnus Vonsen.

Pursuant to law notice of election is hereby given by the Board of Supervisors of Sonoma County, that an election will be held in Petaluma Municipal Water District Tuesday, March 28, 1922, for purpose of electing five members as a Board of Directors for four years.

Transfer of \$1577.15 is made from General Fund into Road Construction Fund of the Sebastopol-Freestone Unit to correct error.

SO ORDERED.

Old lumber sold by A. D. Goddard General Fund, to Sol Patterson, for \$21.00.

Resolution passed fixing establishing rates for publication of Sonoma County. Fifty Cents for first run and 25 cents for all runs thereafter for each square of 234 ems, same to be six (6) nonpareil type. Effective April 1, 1922, and continue balance of year.

Corporation warehouse, shed and fence at Petaluma under contract with M. H. Fredericks, accepted for and on behalf of Sonoma County, as completed.

Resolved that minutes of Board of Supervisors meeting for month of February, 1922, be and same are ordered printed in the Sonoma Index-Tribune, Sonoma, Cal.

Whereas, Deeds for right of way of proposed State Highway between Sonoma and Santa Rosa, known as Route No. 51, have been given the State of California by property owners along said right of way and

Whereas, in some of the deeds there is provision made for removal and building of fences and other expenses incident thereto,

Resolved, that Sonoma County hereby assumes the obligation of defraying said expenses.

Regular business transacted. Claims passed on the various funds as follows:

General Fund	\$46,161.70

FREIGHT RATES SLASHED BY SOUTHERN PACIFIC

The most important freight rate reduction made by the transcontinental carriers since last October have just been announced by the Southern Pacific Company.

These reductions, applying to east-bound and westbound traffic and to transcontinental import, export and domestic business, range as high as 50 per cent and will be made effective as soon as concurrence is obtained from lines east of Chicago and the Mississippi river. The changes in rates are in accordance with applications made by shippers and numerous additional applications voluntarily filed by the railroads.

Among the important reductions from eastern points to the Pacific Coast are copper wire and cable, 23 per cent; pole line construction material, 23 per cent; bath tubs, 22 per cent; tin cans and pails, 14 per cent; asbestos roofing, 50 per cent; rubber boots and shoes, 9 per cent; charcoal and crude cyanide, 31 per cent; wrapping paper, iron and steel barrels, 15 to 17 per cent.

Rates on eggs from Pacific Coast points to eastern points are to be reduced 22 per cent. Nut kernels will carry a 14 per cent lower rate.

The Southern Pacific announced that it had established a new rate of 76 cents on lumber from California and Oregon when for export to the West Indies or other foreign country, to Gulfport, Miss., via El Paso and New Orleans.

CLUB NOTES

The social afternoon at the Women's club house March 17 brought many members to the meeting, the day being most beautiful. Owing to severe colds, some of the musical numbers were not given.

Miss Edna Jansen, program leader, read a most interesting and instructive paper on Home Economics. Mrs. Maud Champlin, Mrs. Eva Peck and Mrs. Rose Bartoli were declared members.

An additional \$16 was reported towards the last card party, making the handsome sum of \$41.

Tea and cakes were served, ending a most pleasant afternoon.

L. V. EMPARAN,
Club Reporter.

500 Miles of Paper.

If the paper used by the United States government printing office, during the past year was laid flat at a thickness of one sheet it would cover approximately thirty-five square miles and if made into octavo books, piled one on the other they would soar 500 miles into the air, the public printer estimates in his annual report filed with congress. For printing and binding 50,000,000 pounds of paper were used during the fiscal year ended last June 30. Not all of the paper was needed for printing speeches of senators and representatives in the Congressional Record, however, as the office gets out various government publications, congressional documents, stationery and the like. During the last fiscal year total expenditures of the printing office amounted to \$11,111,111 compared with approximately \$13,000,000 the previous year.

WHAT THEY'RE PUTTING UP
"In this town?"
"No, mister. All we're putting up nowadays is arguments."

Caterpillars Threaten Maples.

Tiny caterpillars that appear by thousands and mine and riddle the leaves of sugar maple trees are threatening New York's maple sugar industry, Professor Glenn W. Herrick, of Cornell university, said at the meeting of the entomologists in Toronto. However, these caterpillars that develop into small moths called maple case bearers are being studied and feasible and efficient methods for their control are being found. This same pest ravaged the trees sixty years ago. —New York Evening Post.

In Low Spirits.

"You have a woman mayor here?"
"Yes. She's just been elected and her husband is about the uncoziest man in town."
"Why so?"

"He's told several of his friends confidentially that if his wife still has the same opinion of him she had before the election he's slated for the job of dog catcher." —Birmingham Age-Herald.

TO OPERATE GOLDEN GATE FERRY ON MAY FIRST

An announcement made Tuesday by O. H. Klatt, secretary of the Rodeo-Vallejo Ferry Company states that this corporation has purchased the entire interest of the Six Minute Ferry, which has been conducting an automobile ferry service between Crockett and Morrow Cove. The purchase price, Klatt declared, represents a figure exceeding \$400,000.

The two ferry lines will be merged into one, beginning Wednesday morning, Klatt said today.

The landing in Contra Costa county will be at Selby and the South Vallejo terminal will be used until permission has been received from the Solano county supervisors to land at the present Six Minute Ferry slip, Morrow Cove. When this right has been granted, the four boats of the Rodeo-Vallejo line will ply between Selby and Morrow Cove.

This transaction does not conflict with the purchase, some weeks ago, of the Six Minute Ferry Company, which intended to maintain a boat service between Oakland and San Francisco. The corporation which ran boats between Vallejo and Crockett is known as the Six Minute Ferry and was independent of the Six Minute Ferry Company.

The purchase of the Six Minute Ferry business gives the Rodeo-Vallejo Company four boats with which to give motor travel service. They are the Aven J. Hanford a new boat completed about a year ago; the San Jose, these two being large craft, and the steamers Vallejo and Issaquah, the latter two smaller and slower ships than either the Hanford or the San Jose.

For the present half-hour service will be given on the five weeks days, while on Saturday and Sunday four boats an hour will be operated to take care of heavy travel.

Klatt also gave out news that the Rodeo-Vallejo Ferry officials will also operate the Golden Gate Ferry company, which institutes an automobile boat service between San Francisco and Sausalito on May 1.

James Robertson, the Alameda boat builder, is constructing three fast ships, each of which will carry 90 cars, that are to be used on the run between San Francisco and Marin shores. These are to have Diesel electric driven equipment.

It will take only 18 minutes for one of these boats to cross from the foot of Hyde street to the landing in Sausalito. Half-hour service daily and 20 minute service Saturday and Sunday will be provided to patrons of the Golden Gate Ferry company. The first of these new boats Robertson promises to have in operation on May 1.

Aven J. Hanford, president; James Robertson, vice president and O. H. Klatt, secretary, are the principal officers of the Rodeo-Vallejo Ferry Co.

WATMAUGH SCHOOL NOTES

The pupils of Watmaugh School were preparing for special exercises in the month of February for the birthdays of great men. They practiced national songs, and also sang Mount Vernon Bells on Washington's birthday. Although many were absent on account of sickness and storms, those that were present did excellently.

We are glad to say that in March we welcomed most of our pupils back so our seats are all filled. We are all buckling down to hard work now. William Swanson, one of the returned schoolmates, is now going on with the eighth grade work and is doing very well.

We are having rote singing from music books, and have learned two popular songs, Hawaiian Chimes and Little Lad O' Dreams.

Another change in March is in our playground. We have new swings and acting bars. They are surely appreciated by all.

An Eighth Grade Pupil.

Attorney Thomas P. Boyd, prominent politician of Marin county and counsel for the Boyes Springs Company, came up from San Rafael Monday on business connected with the building of the new golf links.

The Hiss of the Serpent

STINGING rebukes from many quarters of the United States to the senators who would disrupt the most tangible peace plan ever formulated, have been richly deserved. To raise the point of authorship and intimate that Charles E. Hughes, our American statesman, was party to a secret understanding concerning the great document presented for ratification was not only insulting but petty. Its motive was the old, worn-out-Hearst motive of inciting prejudice and creating suspicion. To stir up negative sentiment of this character is to sow the seeds of the war spirit, the very thing the constructive, wholesome minds of the world are seeking to expunge. We have but to look at the types of men who seek to discredit Mr. Hughes and his magnificent plan for peace to realize the discord that would be continually threatening the world if we followed their leadership and swallowed incendiary chunks of nonsense.

The constituents of the men who misrepresent American sentiment and have put them in a position where they can rear their heads like serpents and hiss at the dove of peace should feel deep humiliation and mortification at the spectacle of the past few weeks.

Where Was Sentiment When Plaza Was Going to Seed?

A VOTE of the people will be registered early next month putting on record the sentiment of the community on the proposed Plaza lease. From all indications sentiment is generally favorable to the plan and we believe as fully entitled to consideration as the sentimentality which decries the proposed improvement and dubs it a "deseccation."

Save for the voice of General Vallejo himself who in accepting the honor of mayor of the City of Sonoma in 1852 expressed himself as hoping something would be done to improve the Plaza little sentiment has ever matured relative to the Plaza's condition. During the seventy years since the General expressed his hopes that the people would show their appreciation of his gift of a public park, no progress has been made. With the notable exception of the Women's Club, founded twenty years ago to improve the Plaza, who has made any effort to beautify this historic spot? The Business Men's Association quite recently, but like the Women's Club, this organization found the project attended with many difficulties and entirely beyond its means.

Some years ago the City of Sonoma employed a beautification expert from the University of California to advise as to the best plan of improving the eight acre square. The Board of Trustees at that time began to feel the humiliation of weed-covered walks and ill-kept open spaces and determined to try to do something for Plaza betterment. The broad cement walks were then laid as the first step in the program as outlined by the University. This work stirred up a storm of criticism over the heads of the trustees favoring it. However, they went on with the work until finances dwindled. Succeeding city dads grappled further with the problem of improving the park, contenting themselves alternately with selling the annual volunteer hay crop which grew at sweet will on our historic acres or burning the stubble therefrom, both of which processes were edifying spectacles to visitors to our historic city.

Sentiment seemed to strangely slumber while the Plaza was thus going to seed. There was no fiery outbursts such as the late plan to beautify it has evoked. There was at all times quiet level headed sentiment favorable to making of it a beautiful park, but there seemed no way to finance the fond hopes of citizens who had civic pride and interest in their surroundings. Then came the proposal from an oil company to take over a corner of the Plaza for its service station at \$100 per month and the announcement that the trustees favored the proposal because this revenue would permit of the Plaza's improvement.

The presence of the neat service station with comforts and conveniences in connection would not alter the Plaza's historic importance a whit and the money derived from its rental would enable the city to carry out the wishes expressed by General Vallejo seventy years ago that the Plaza be improved. So thought the city dads and those who urged them to accept the offer.

Sentiment and nothing else would keep Sonoma and its Plaza in a rut for seventy years more. Sentiment, coupled with dollars and cents, will enable Sonoma to do for its splendid landmark what it merits. Where is the wrong compared with the shameful neglect we have for years tolerated? It is up to the people at the coming election to register their wishes and when the Board of Trustees proceeds in the matter it will then be up to them to solve the official and legal details coincident with making a lease.

Some of Thirteen May See the Light

BEFORE the Supervisors Monday in San Francisco Chester Rowell quoted his oft repeated hopeless statement that it was useless to try to change the prohibition laws of America as long as thirteen states remained in the dry column. It seems to Mr. Rowell that the unlucky number is to seal the fate of the country absolutely and he believes that thirteen can be depended upon to stick no matter what is going on around them.

We are not so sure, if many cities put themselves on record as will San Francisco, and if many states by a vote of the people do as California has in the past, that thirteen states will want to humiliate the country of which they are a part by stubborn refusal to heed the voice of the masses. We would question the patriotism of any state that would refuse to yield if it were shown conclusively to be to the best interest of the law and order of the country as a whole that a new order obtain. And we believe it will come to just that, where the states must consider the condition of the United States as a whole and whether or not they are proud of the experiment to which the country has been subjected. Some of the thirteen states can be depended upon to rise up in patriotic wrath and save the great nation of which they are units from humiliation, for there must be a few who voted for national prohibition, sincerely believing that it was feasible and would prove a God-send to the country. Its failure to function, the train of miserable by-products which follows in its wake, the hopeless reckoning with enforcement, the tenacity of world-old weaknesses which refuse to yield to legislative "thou shalt nots," and the whole prohibition performance which has broken down under actual adoption and trial foredooms it. No thirteen states in a nation like America where interests in the country's destiny is so closely interwoven will solidly stand pat indefinitely on such a program.

Newspapers Rally Around Richardson

ONE OF the most remarkable tributes paid any man by the newspapers of California is the manner in which the publishers are lining up behind the campaign for the governorship of California of Friend William Richardson, president of the California Press Association. For twenty years Mr. Richardson has been the champion of the newspapers in legislative matters and in legal circles. During the years he has spent at Sacramento as state printer and state treasurer, he has devoted a great deal of energy to protecting the newspapers and forwarding their interests in connection with legislation. He has also served for nineteen terms as president of the California Press Association. His efforts in behalf of the association have been continuous and arduous and he has spared neither time nor expense in keeping the organization functioning and vigorous. The organization has grown and prospered under his leadership.

The members of the association, now numbering about 275, are with Mr. Richardson in his campaign almost to a man. One of the remarkable features is that many members are forgetting past political affiliation to show their friendship and confidence in their president. In addition to this, scores of newspapers not connected with the organization are showing that they are already champions of his cause. The combined weight of these newspapers will be a tremendous influence—probably greater than any other single influence in the state in electing a candidate.—The Pacific Printer and Publisher, San Francisco.

Help Wanted

A GOVERNMENT publication sent out monthly asks "How can the government help you in business?"

The truth is business in our country is almost at the point of being governed to death. A few more trade commissions, commerce commissions, shipping boards and wage boards and what little business is left would vanish.

There are now estimated by Ford's Weekly to be fifteen million persons making their living off government in one form and another.

A little broom handle factory in a western state was visited by seventeen state and federal inspectors inside of three months. All road in motor cars paid for by the government, and all burned gas and had all their expenses paid by the government.

The ordinary state government has expanded until a half million dollars a year invested in motor vehicles for officials is not uncommon. The taxpayer and the producer are crying not for more help from the government but for less of the endless chain of supervision.—The Manufacturer.

RETURNS TO MAKE PERMANENT HOME HERE

Z. Lane has returned from the state of Washington, where he transferred his extensive lumber interests in four big camps to his son, Warren, and will now remain in Sonoma Valley to devote himself exclusively to this one orchard here.

Mrs. Lane and Miss Beth Lane are still in the north, but will return at the close of the school term there. Beth is taking an active interest in athletics, particularly basket ball.

Mr. Lane states that business is looking up and that the demand for lumber which was bound to come, has started in earnest.

During the Lanes' absence in Washington, Mr. and Mrs. Stanley A. Robinson have resided on their place.

DEATH OF BUENA

VISTA RESIDENT

Ferdinand Holper, who had been residing on his ranch near Buena Vista for the past eight years, passed away last Saturday at a local sanitarium following an illness of three weeks. Bronchial pneumonia followed by complications caused the death of Holper, who was only 45 years of age.

Deceased was a native of Hungary and came to Sonoma Valley from Buffalo, N. Y. He leaves a widow to whom he had been married 20 years and who tenderly cared for him throughout his last illness.

When news of the passing of Mr. Holper reached his friends at Buena Vista and elsewhere throughout the valley, genuine sorrow was expressed on all sides at the loss of their good neighbor. He was highly regarded by all who knew him and the funeral on Monday from St. Francis church was largely attended. Interment was at the Catholic cemetery.

Mrs. Holper, the widow, who is left all alone and who has no relatives nearer than a sister in the East, has the sympathy of the community in her sad loss.

APPRECIATE PUBLICITY

Sonoma, Cal., March 20, 1922.

Sonoma Index-Tribune,

Sonoma, Cal.

Dear Editors:

The Christian Endeavor Society of the Congregational church wishes me to extend to you our sincere appreciation of your kindness in giving publicity and space in your columns to our original meeting of March 12th.

Thanking you for the courtesy extended through the medium of your valuable paper I remain,

Yours very truly,

ALMA W. DOW,
Secretary Y. P. S. C. E.

SUDDEN DEATH OF

MRS. J. NICHOLS

Mrs. Jenne G. Nichols of Oakland was found dead in her room at a hotel at Salinas at noon on Saturday. She registered at the hotel on Friday night and remarked that she was very tired. Indications were that death was from natural causes.

Mrs. Nichols was well known throughout the state. For the past 20 years she has traveled through the state in the interests of a fund for providing homes for homeless children and she has placed many homeless babes with families in the past. She will be remembered by all as a white haired little woman and her visits here in the past have been numerous. Not long ago the authorities at Santa Rosa questioned her right to solicit for the home which she represented.

Mrs. Charles LaTorres spent Saturday and Sunday visiting her daughter, Providence, in San Francisco.

SEALS BREAK UP TRAINING QUARTERS AT BOYES

It was with keen regret that Boyes Springs bade good bye to the Seals who broke camp Thursday after training here several weeks. The ball players left with decidedly pleasant memories of their outing and were high in their praises of Sonoma Valley. A farewell banquet was ten-

dered the squad Wednesday night, and a dog and badger game was another diversion put on for the boys at the Boyes garage. A crowd of 100 spectators witnessed Herb MacQuaid's capture of the "animal." The Seals and their managers and trainers are an exceptionally fine bunch of fellows and they made scores of friends while here.

VINEBURG NEWS

Mrs. Henry Anselmo and daughter of Sonoma were the guests of Mr. and Mrs. E. Forni and visited friends here on Tuesday.

Jensen & Pedersen, the well known contractors and builders of Oakland, have just completed a handsome residence on the Coops vineyard at the Rhine Farm which adds much to the looks of North Vineburg. The pretty edifice faces on Denmark avenue and will be the future home of Mr. and Mrs. J. H. Coops and Mrs. Johansson. Viola Vineburg has christened it Semillon Villa.

Our local society turned out en masse on last Saturday evening to enjoy the grand ball of the Y. M. I. at Sonoma and all speak in high terms of the affair.

Miss Henrietta Weber of San Francisco was the week end guest of Mr. and Mrs. Grover Rubke and on Saturday evening attended the Y. M. I. ball in Sonoma.

Mr and Mrs. Fred Batto visited Petaluma on Wednesday last.

Everybody is now busy plowing, and the weather still continues to be favorable for that work.

Mr. and Mrs. Al Finck, William and Frederick Finck, all of Oakland, were the guests of Mr. and Mrs. Louis Martin Saturday evening and Sunday. Messrs. Finck are prominent business men in the city of Oakland and well known in social circles.

Philip Bill Jr. who has been quite ill for the last two weeks is now convalescent and able to be around or, in other words, Philip is himself again.

H. G. Beers is now engaged in erecting a coal storage plant at the State Home at Bridge.

Chas. McDevitt, former city trustee of Sonoma City, but now manager of the Summit Hotel, Placer county, was exchanging greetings with his many friends in this vicinity on last Thursday.

Norman Cowan of Glen Ellen, one of California's best known rodeo riders and broncho busters, who holds the state record for bulldogging steers was a visitor in Vineburg on Sunday last.

Louis Martin paid a visit to his old friend, Dr. E. Z. Hennessey at Napa on Monday last and reports the doctor to be improving fine and dandy, and hopes to see him among his old friends in a short time. The doctor sends best regards to all friends.

Spring is coming. Well, let it come for we have no objections, believe me.

Easy Jim on St. Patrick's day threw aside the worries of a correspondent and leaving your humble servant in charge of his desk, departed on a visit to Live Oak Grove the home of Mr. and Mrs. James Cowan, near Glen Ellen. He reports a fine time. But as Easy Jim has palpitation of the feet, he says the high altitude and fresh ozone of the Sonoma mountains affected his left eye and it will take a little time for him to scatter his collected senses. Yours truly,

MAIZIE MANNIX,
Friend of Easy Jim.

Joe McMullen, base ball expert and a friend from San Francisco spent Wednesday at Boyes Springs and were entertained in the evening at dinner at the home of Mr. McMullen's mother, Mrs. W. B. Hays.

SONOMA PLUMBING FIRM HAS BIG CONTRACTS

The Sonoma plumbing firm, Marcy & Peterson, have the contract for the steam heating plant, plumbing and sheet metal work on the new Parente hotel at Verano. The specifications call for the best of materials and a first class job.

The Sonoma firm also has the plumbing contract for the Sonoma Valley Restaurant annex at Boyes Springs. M. Y. Hansen is the general contractor.

NEW BRICK HOTEL FOR C. CLEMENTI

C. Clementi, well known resort man of Petters Springs, has started construction on his new hotel. The building will be of solid brick construction and will contain 15 rooms with all modern conveniences. S. Godutti, the brick and stone contractor has already begun the foundation of the new structure which will be a fine improvement to the Springs section.

Mr. and Mrs. Clementi have been very successful since establishing their resort in Sonoma Valley and their excellent French cuisine has won for them a big patronage.

LAND OWNERS ASK VOLSTEAD MODIFICATION

Local land owners are this week signing a petition asking a modification of the Volstead law so as to permit the planting of more acreage to grapes for wine and barley for beer.

The petition was forwarded here by the Hay and Grain Association to Supt. Joe Keechler of the Jones ranch. It has been widely signed, each signer stating the number of acres owned in Sonoma Valley. Similar petitions are being circulated all over the county.

INCUBATORS TO BE MANUFACTURED HERE

The first unit of a contemplated incubator factory is being built on land in Sonoma City purchased by Kitchen Bros., patentees of the incubators to be put on the market. The inventors chose Sonoma as the center of a growing poultry field where conditions are ideal for incubation. The new plant is located in the Macquiddy tract.

DELEGATES TO CONVEN- TION IN OAKLAND

At the last regular meeting of the Native Sons, delegates to the coming convention in Oakland were elected as follows:

Bert Kerner and Wm. Bosch, with P. Perazzo and A. Bianchini as alternates.

Oakland is preparing a big time for the Native Sons and will do herself proud in hospitality. Banquets, grand balls, receptions and excursions on the bay are on the program for the delegates.

Miss Natalia Dowdall has returned home after a visit with her friend, Miss Verna Quartaroli. Miss Dowdall is a daughter of Mrs. Lolita Harashty Dowdall, formerly of this place.

Y. M. I. HAD FINE PARTY

The dance given by the Y. M. I. last Saturday night in honor of St. Patrick's day was largely attended and pronounced one of the most enjoyable parties of the season. The committee did everything possible to promote sociability and the music was par excellence.

Many out of town folks came to Sonoma specially to be the guests of the Y. M. I. Saturday night.

DR. KNOWLES SPOKE HERE

Tuesday night at the Congregational church Dr. Tully Knowles addressed a large audience on the recent disarmament conference at Washington. He was an interested attendant at the conference and gave a splendid account of the important work and those who took part in it. He told of Japan's part in the conference and of his interest in that phase of it because of his familiarity with the Japanese people. He characterized the conference as a wonderful step forward for peace and soundly repudiated the reactionary senators who sought to discredit constructive statesmanship.

Preceding the speaking a fellowship supper was served in the church parlors, many participating in the excellent repast prepared under the direction of Mrs. Carrie Burlingame.

WHAT

About your next suit of clothes? Do you know that Parrent, the old reliable tailor who has been making clothes for the people of this valley for the past 20 years, is still in business? And can make you a suit of clothes now or any time you want it, as good and as reasonable in price as you can get anywhere. See him for your next suit. First Street West, near Northwestern depot. —adv.

IMPROVEMENTS AT WOODLEAF STORE

The Woodleaf Store at Boyes Springs has made some attractive improvements for the 1922 season. A neat lattice work partition now separates the lunch room from the grocery department and Lovett & Lovett expect to cater to many diners this summer, their excellent home cooking and baking already having won for them many patrons. The store and lunch room is located in the Cabinet block not far from the N. W. P. depot. They are giving away votes for carnival queen with purchases.

SONOMA VALLEY WANTS ELECTRIC TRAIN, TOO

The gasoline electric motor car No. 900 of the Northwestern Pacific made a successful round trip, run Monday from San Rafael to Santa Rosa as the first section of Train No. 6, due there at 1:10 p. m., and returning as first section of Train No. 7, leaving there at 2:30 p. m.

The run was made on the schedule of the trains of which it ran as a section and it made all stops, picking up and letting off passengers. About 40 passengers were aboard when the car arrived there, in addition to the party of railroad officials who made the trip to witness its performance.

The Santa Rosans who made the trip in the car were delighted with it and declare it rides easier than the regular train coaches. The car slides into the station and picks up speed with much less loss of time than the ordinary train.

The many friends of John Pluth, proprietor of the Eagle Grill, are pleased to see him up and around again after his serious illness with pneumonia.

Charles Danieli and wife of Daly City were the guests of relatives over the week end.

Mrs. Wm. Bomhoff has returned from San Francisco after a weeks visit with relatives.

Mrs. M. Couts and family were here from Kenwood Sunday, the guests at the Rossi home.

Miss Emily Kearney after a several days visit in Oakland, returned home the latter part of last week.

Miss M. Walsh of San Francisco came up Saturday evening and was the guest of relatives over Sunday.

Mrs. R. Poppe and Miss Hays of Sonoma were passengers for Sacramento Tuesday morning via the S. P.

Mrs. O. W. Nordwell of San Francisco who has been visiting relatives returned to San Francisco Sunday afternoon.

John Pressing and family of San Francisco who have bought a ranch at Baxterville, arrived here the first of the week.

Dan Mahoney, who has been wintering at Sonoma Vista, has returned to San Francisco where he has accepted a position.

Mrs. Emile Andrieux left on the S. P. train for Summit Saturday morning after a pleasant visit with Sonoma relatives.

Mrs. Smith of San Francisco has purchased two lots from T. H. Baines near the Bellevue Hotel and will soon build a home on them.

Miss Marie Minkel of the S. P. came up from San Francisco Thursday evening to spend a few days visiting here with her folks.

Norman Baines left for Modesto Sunday where he has accepted the position of chief engineer at the Hotel Hughston, the leading hotel of that town.

Mr. and Mrs. L. B. McKinnon and family of Concord and Miss A. Dowdall motored over from that place on Saturday to spend the week end visiting relatives.

E. C. Gates and family were here from Sausalito Sunday, the guests at the Cliff home. Mr. Gates formerly resided here and is now a mail carrier at that city.

Frank Lasenola, motion picture actor, with Roy Stewart and Louise Lovely of New York are at Sal Carlo's resort, The Lark, Agua Caliente, for a vacation and to view the famous Sonoma Valley.

Jailer Jewett and wife of Santa Rosa and also Deputy Sheriff Disbrom motored down to the Boyes Springs and took in the ball game on Sunday. They were the guests of Deputy Sheriff Joe Ryan.

One day last week the section gang working between Monte Rio and Meza Grande on the N. W. P., narrowly escaped a collision with the passenger train from Duncan Mills. Nick Ahern, formerly well known section foreman at Sonoma for many years, was in charge of the gang. At a sharp turn the men noticed the flying train

coming, which was an hour late and which they thought had passed on time. Ahern and his men jumped clear of the track just as the engine struck and demolished the handcar. It was a close call and all escaped but the handcar.

Elmer Owens, Verano politician, is in Sacramento getting the dope on the coming election in November. Elmer expects to get some inside political news which will be made public when he returns to this place, which will be interesting to the voters of this valley.

The Seals who have been training at Boyes Springs, broke up camp on Thursday and departed for San Francisco. The boys were all rounded into first class condition and pronounced the Springs an ideal place for training. We wish the boys luck and hope they will bring home the pennant this season.

John Basileu, enterprising barber, has added a boot black stand to his shop. Edward Debats, a world war hero, is the man behind the brush, having had much experience in shining his buddies' brogans in the different military camps throughout the United States and France. He is internationally famous at the boot-black business and invites the boys to call and see him.

The Sonoma Valley Gravel Company is a busy firm these days. A contract has been received for 50 carloads of No. 1 gravel from Sonoma Creek to a Vallejo firm, also 500 yards of gravel for the county, to be used on the roads. A contract has also been given this company for the gravel to be used on the new high school at Sonoma. The gravel in these beds it is claimed, is the best in the state.

The sad news reached here Sunday of the death of Mrs. M. Yerkowicz of Sonoma Vista. Mrs. Yerkowicz had been ailing for a long time and has been in a San Francisco hospital. She leaves a husband and a large family. The funeral took place on Tuesday in San Francisco from St. Boniface's church. The deceased had many friends throughout the valley, who will regret to hear of her death.

Last Friday afternoon, as Miss Nellie O'Brien was returning home from Sonoma, the buggy she was riding in broke, scaring the horse and throwing her out. The horse pulled the shafts from the rig and ran into a fence, and was caught. Miss O'Brien was badly bruised, but escaped any serious injuries, although one of the wheels passed over her body. H. A. Deppin, who was coming along at the

time, gave first aid and captured the frightened steed.

Over 1500 fans from all parts gathered at Boyes Springs Sunday to witness the game between the Seals and Santa Rosa. The game was a good one and only for an error in the third inning the visitors would have held the Seals down. Smithy twirling for Santa Rosa pitched a good game and the large crowd was well satisfied at the end of the ninth inning. The score was 4 to 1 in favor of the Seals.

Chief Cause was the whole thing at the base ball grounds at Boyes Springs Sunday, with his fireman's garb. We thought that Chief O'Brien of San Francisco had landed on the grounds. He acted as both traffic cop and fire chief, having the engine on the grounds in case one of the fans dropped a match or cigarette on the green grass or started a hot air combustion. More power to you, Chief. May you live forever.

SONOMA SCHOOL PLANS EQUAL TO THE BEST

Plans and specifications for the new Sonoma Valley Union High School building to be erected by the Larsen-Siegrist Company are now on file at the office of the county recorder.

One hundred and fifty-five working days are allowed for completion of the building. The general contractor's price is fixed at \$103,777, while the heating and ventilating plant, to be installed by the Scott Company, will cost \$8590. Added to these will be the cost of electrical fixtures.

The plans call for a two-story building with modern equipment. The main floor will include a lobby and hallway at the entrance running back to a corridor which will extend each way to the end of the building. Hat and cloak rooms will be at each end of the corridor.

Four class rooms, study hall, library, principal's office, a gymnasium 45x80 feet, at the rear of which will be a stage, 36x22 feet with rooms for the physical directors on either side, are included in the plans for the main floor. Under the galleries on one side will be lockers and showers for girls and on the opposite side for boys.

Chemical laboratories, lecture room two class rooms, physical and biological laboratory, typewriting room, bookkeeping room and galleries for the gymnasium will occupy the second floor.

The plans, as drawn by W. H. Weeks, San Francisco architect, will provide one of the most modern and adequate school buildings in Northern California.—Santa Rosa Republic.

CANADA SECOND PHONE LAND

Led Only by United States in Number of Instruments in Proportion to People.

Ottawa, Ont.—Canada ranks second to the United States among the countries of the world in the number of telephones in proportion to the population, according to the statistical bureau of the Canadian government.

The United States has 13.6 telephones to the 100 of population and Canada has 9.8, according to these records.

"In 1921 there were 856,266 telephones in use in Canada, an increase of 10 per cent over 1920. The wire mileage used was 2,105,101," says the bureau report.

"Naturally the most telephones in the south dominion are in the large cities. Such cities as Montreal, Quebec, Toronto, Ottawa, Winnipeg, Calgary, Edmonton, Vancouver and Victoria have as good telephone service as any cities in the United States. But in the last two or three years there has been a very large increase in the number of telephones in the rural districts of the prairie provinces."

CARRIED HOME AFTER MEAL

Philadelphia Man Eats 12-Pound Turkey, 53 Oysters, With Many Side Dishes.

Philadelphia, Pa.—William Lee always boasted of the fact that he could eat as much as six men at one sitting. He confided this to Michael Yaffee and William Smith. They would not take Lee at his word and demanded a demonstration with \$25 as the stakes in case Lee won. Lee is 6 feet 4 inches tall and weighs 288 pounds.

He first ordered a 12-pound turkey with stuffing. This vanished within 45 minutes. He picked the bones clean. Then, in the words of John Paul Jones, Lee said: "I haven't started to eat."

He then ate 53 oysters, two pounds of pork chops, one dozen eggs, two slices of ham, a large beef stew, drank 12 cups of coffee, ate three loaves of bread, and during the meal drank six bottles of soda water. Smith and Yaffee passed over the stakes to the diner and had to carry him home.

PLUCKY VET 4 YEARS BEDFAST

"Is He Downhearted? No," and Is Fighting Pluckily for Recovery.

Adrian, Mich.—Bedridden nearly four years as the result of a spinal affliction contracted in service overseas, the war still has considerable reality for Bruce M. Slater, Adrian soldier, who is making a plucky fight for health at the home of his parents, Mr. and Mrs. David S. Slater.

The young man's ailment has left his limbs paralyzed and he has been confined to his bed continuously. He is receiving the best of care and is still hopeful of recovery.

Slater is a graduate of Brown Business university here. Two months after his enlistment, April 27, 1918, he went overseas. Seven of the ten months he served in France he was in base hospital No. 50, Mesves, France, with complications brought on by influenza.

CLOTHES KILL POLYNESIANS

More Fatal to Natives of Pacific Islands Than Rum or Opium, Says Captain Salisbury.

New York.—Too many clothes is the great trouble with the dying Polynesians of the Pacific Islands, according to Capt. Edward Salisbury, who has spent much time among them. Captain Salisbury paused in the task of outfitting his yacht for another cruise to those islands and explained that when the missionaries finally convinced the Polynesians that it was wrong to go naked the Polynesians adopted clothing and acquired tuberculosis.

Clothes, he said, had done these natives more harm than rum or opium. The fewer the clothes the greater the health. If this applies also to the Caucasians New York girls who keep up with the styles ought to be the healthiest lot on earth at this instant.

Rescuer Is Left \$100,000.

Cape Girardeau, Mo.—Jacob Kirchoff, a cement laborer here at 35 cents an hour, was notified that he had inherited \$100,000 from his uncle, Casper Kirchoff of Pittsburgh, Pa., whose life he saved in a railroad accident in East St. Louis, Ill., thirty-one years ago.

Wife's Last Dollar Buys Executed Man's Coffin

Nashville, Tenn.—Asbury Fields, convicted of the murder of J. R. Pierce last summer, was electrocuted in the state prison here.

Shortly after the death-dealing shock had been given Fields, his wife, small, demure and pretty, entered an undertaker's shop and spent her last dollar for a plain black coffin. She had earned the money by hard work in a hosiery mill, where she had been employed since Fields' arrest.

"I don't know that Asbury wasn't guilty," she said, "but I couldn't bear to see him buried by charity."

PROCEEDINGS OF THE BOARD OF SUPERVISORS

(Continued from Page Two.)

Result of said canvass as follows:

	Yes	No
Precinct No. 1.....	24	35
Precinct No. 2.....	88	38
Precinct No. 3.....	152	70
Precinct No. 4.....	94	91
Precinct No. 5.....	67	56
Precinct No. 6.....	78	42

Total.....503 332

Whereupon, on roll call, the above result was adopted as being official.

Resolved, that all territory included within the Petaluma Municipal Water District located in the County of Sonoma, and designated as the City of Petaluma, be and is hereby duly organized as a municipal water district under the name of the Petaluma Municipal Water District.

A petition was filed with this Board January 27, 1932, in office of County Clerk, signed by members of Board of Education requesting that

"Whereas, on July 7, 1921, the Board of Supervisors of Sonoma County published notice calling for bids for Court House School District Bonds, in the sum of \$250,000.00, to be received up to 12 o'clock M. July 26, 1921, and opened at 1:30 o'clock the same day, and

"Whereas, on July 26, 1921 no bids were received for said bonds, and more than six months has elapsed from date mentioned in said notice when bids were to be received for said \$250,000.00 bonds,

"Therefore, pursuant to law, said petition prays that said unsold bonds of Court House School District be withdrawn from the market and cancelled.

"Signed by Board of Education of City of Santa Rosa School District."

It is hereby directed that H. F. Doss, Chairman of Board of Supervisors call a special meeting of said Board on January 27, 1932, for purpose of taking action in said matter.

Special meeting of Board of Supervisors called on January 27, 1932.

Resolved, that Tuesday the 14th day of February, 1932, at 2 o'clock P. M. be and same is hereby fixed as time for hearing Petition signed by members of Board of Education of City of Santa Rosa School District, which said City of Santa Rosa School District, by operation of law, became the legal and lawful successor of

Court House School District, and which said petition prays that Board of Supervisors cause all of unsold bonds of Court House School District to be withdrawn from market and cancelled. Notice to be given as required by law.

SO ORDERED.

H. F. DOSS,

Chairman of the Board of Supervisors of Sonoma Coun-

ty, State of California.

Attest:
W. W. FELT, JR.,
Clerk.

Mrs. Kitty Baskin of Chicago arrived here this week to visit her sister, Madame Maerilla, the talented vocalist who is shortly to open a studio here. Mrs. Baskin expects to remain for the summer.

There is a Local Advantage

IN HAVING AN ACCOUNT IN THIS INSTITUTION. Our officers are men who have been identified with the progress of Sonoma Valley for more than a generation. They have won the confidence of all as conservative bankers whose first thought is of safety of funds intrusted to their care, and whose every other thought is of service in the interests of Sonoma Valley.

These reasons constitute an exceptional local advantage when you carry your account here.

PRESENTED WITH PEARLS AT SURPRISE BIRTHDAY

Mrs. Ada Pauli, prominent member of the Rebekahs and who has generously given her musical talent for many years to the Lodge, was the recipient of a beautiful gift at a birthday surprise party arranged in her honor Thursday night at the I. O. O. F. hall. A handsome pearl necklace was presented to Mrs. Pauli and dancing and a banquet were features of the evening. The Foxy orchestra played and two fine birthday cakes ornamented the banquet table. About 75 Odd Fellows and Rebekahs were present.

NEW CURTAIN FOR SCHOOL AUDITORIUM

A beautiful new curtain of gray velvet now graces the auditorium at the Sonoma Grammar School. It is a richly deserved improvement for many splendid performances have been given on the stage of this auditorium by Grammar School pupils, who early this spring will produce another musical comedy under the direction of Principal J. F. Prestwood.

SUB-CONTRACTS ON HIGH SCHOOL WORK ARE LET

D. H. Albers of Santa Rosa has been awarded the contract to pour the cement on the new Sonoma High School building. Albers built the Cooper bridge here.

Clewe will supply the cement, about 2500 or 3000 sacks at the rate of two car loads a week.

A. W. Adler and R. K. Weaver have been given the contract for the lumber and are figuring on the mill work.

Gravel is to be furnished by the Sonoma Gravel Co. of El Verano.

Cleaning and repairing. Good work guaranteed. Parrent, the tailor.—adv.

Richard Jose, the Dick Jose of "Silver Threads Among the Gold" fame, was in Sonoma last week in his capacity of inspector for the State Realty Commission.

Dr. A. M. Thomson spent Saturday and Sunday in San Francisco visiting Mrs. Thomson, who is sojourning there on account of her health.

Mrs. Carl Dresel returned Monday from a visit to San Francisco relatives.

Mrs. R. E. Murphy made a hurried trip to her home here this week, returning to the hospital in San Francisco the following day.

Get your next suit from Parrent, the tailor; \$30 and up. Near N. W. P. depot.—adv.

x Sunday only.

SUPERVISORS PROCEEDINGS PUBLISHED HERE

In accordance with the practice of the present Board of Supervisors of publishing the proceedings of the Board in various papers throughout Sonoma County, the February proceedings are published in this issue of the Sonoma Index-Tribune.

Supervisor Lowell is thoroughly in accord with the idea of giving each supervisorial district, through its local papers, an idea of the variety and the volume of business transacted by the supervisors. Formerly such proceedings were published in the Santa Rosa

papers only and people outside of the county seat were not familiar with what their public servants were doing nor had they any idea of the detail and complicated business matters attended to every month by the supervisors. A reading of the February minutes as recorded by County Clerk W. W. Felt Jr. and presented in another column of this issue will convince any tax payer that the county officials transacting public business in Sonoma County have their hands full and their brains working overtime. It is not all salaries and joy rides after the campaign is won, by any means.

Charter No. 10, 259

Reserve District No. 13

REPORT OF CONDITION OF THE

N. J. Haggie, Cashier.

Correct—Attest: Fred Batto, L. H. Green, H. R. Rubke, Directors.
Subscribed and sworn to before me this 17th day of March, 1922

ROBERT A. PORPE, Notary Public.

H. P. DWYER
Battery Service
New Location at Ye Electric Shop
MAC DRY BATTERY
The guaranteed for three years Mac Dry Battery, is of the jelly type, giving off no moisture and having no water and acid to overflow and corrode your battery and connections. Also the Mac Dry Battery uses no separators which does away with the internal resistance which is so detrimental to a battery.
